

THE GATHERING

Kick-Arse Irish Band

"That true Irish musical experience in Australia."

Fran Daly, Director

Troubadour Presents Australia

"Reliable, creative, collaborative and never fail to get the room rocking!"

Barry Corr, CEO

Irish Australian Chamber of Commerce

The Gathering Irish Band is fronted by award winning Irish musician Mick McHugh. The band pride themselves on getting their audiences up and having fun with their high energy Irish dancing trad tunes and well-known rousing Irish sing-a-longs, blended with an array of popular and classic covers.

Says Mick McHugh, *"The Gathering is about Irish music at its essence - getting people together, and simply having a great time"*. In fact, Mick often gets out on the dance floor with his audience!

The Gathering brings together some great contemporary Irish-Australian musicianship to put their unique stamp on Irish music. They have recorded for ABC Music, toured internationally, and entertained at major festivals such as Port Fairy Folk Fest and Australian Celtic Fest.

Be sure to bring your dancin' shoes and singing voices for this craicin' (fun) Irish band!
